

## **New Secretary Announcement**

Just to update you all, as many of you know, Olivia Conner had to hand in her resignation as the TSBA secretary due to time pressure with work.

We are sad that things didn't ultimately work out but are pleased that Olivia retains her enthusiasm for the breed and fully intends to stay involved where she can.

Following a very productive Council meeting on 12<sup>th</sup> May 2022, I am delighted to inform you that Davina Stanhope has been appointed to the post of secretary for the time being at least. Many of you will know Davina and she comes not only with a wealth of experience through holding a number of similar posts in either the chairing or administration of other associations, but also a great record as a breeder and exhibitor through her renowned flocks.

We have also created a new role, a registrar, who will be working in tandem with Davina, to deal with lamb registrations. Jeff Bailey has agreed to accept this position. Jeff is highly accomplished in the operation of the Grassroots pedigree recording system and was registrar for a considerable time for the Leicester Longwool Sheep Breeders' Association.

We look forward to taking the Association forward in a productive and fruitful way.

With best wishes to you all.

Mark Elliott

Chairman

May 2022
